October 10 – Thursday

Today we head over to Nashville Indiana in Brown County and straight to TC Steele Indiana State Museum Historic Site. The United States Dept. of the Interior added the TC Steele House and Studio to the National Register of Historic Places on Oct. 2, 1973. American impressionist painter Theodore Clement Steele (1847-1926) and his wife Selma moved to Brown County, Indiana in 1907 and established a home, studio and gardens on 211 acres of scenic terrain. The property and its artifacts remain essentially unchanged from the way it was during their time here. The picturesque landscape of this area, and Steele's prominence, drew in other artists, establishing an Art Colony of the Midwest.

Next, we head over to the Brown County Visitor Center to view a movie on the history of the settlers to this area followed by a Trolley History Tour of Nashville IN. Finally, free time to shop! At the end of the day, we head over to Columbus IN for our stay at the Indigo Hotel and dinner on the River at Upland Columbus PUMP HOUSE.
